REACH declaration – conformity with UK’s regulation no. 758/2019 regarding regulation, registration, evaluation and authorisation of chemicals

We hereby declare, that according to the roles defined under REACH, Novenco is a Downstream user. The chemical substances covered by REACH in the *candidate list of substances of very high concern (SVCH)* in article 59 are, to the best of our knowledge, not contained in our products in types or quantities that obligate us to register these.

Furthermore, we continuously request and evaluate information from our suppliers to ensure we meet the obligations that lie with us under the REACH regulation.
